Education is something which makes man self-reliant & selfless. - Rigved
Education is the manifestation of the divine perfection, already existing in man. - Vivekanand

SHORT HISTORY OF THE SCHOOL

Late Swami Janki Saran

Late Karan Bahadur Singh

Late Mrs. Madhulata Singh

Late Pt. Shiv Shankar Tripathi

Mr. Amitabh Mishra

Under the leadership of Swami Janki Saran a Sanskrit Scholar and saint of high repute. Beli Sanskrit Pathshala has established a Sanskrit Pathshala in the year 1904 to impart quality education based on rich Indian heritage and culture with a special emphasis on Sanskrit. Later on, in the year 1984 due to decreasing number of students, society members with moral and ethical values have started S.J.S. Public School, Kutchehry Road, Raebareli based on C.B.S.E. curriculum to pay their regards to Late Swami Janki Saran Ji, the Founder Secretary of Beli Sanskrit Pathshala. The leading torchbearers were the eminent advocates and colossus personalities Late Pt. Shiv Shankar Tripathi and Late Babu Karan Bahadur Singh Ji.

Presently this is being nurtured, grown, proliferated, and developed by visionary philanthropist Mr. Ramesh Bahadur Singh, Advocate, as Manager under the blessings of Mr. Amitabh Mishra, Advocate, Ex-President, Awadh Bar Association, High Court, Lucknow, Mr. Agraj Singh, Advocate & Mr. Anuj Singh, Advocate.

From the Desk of Chairman

Mr. R.B. Singh
Chairman
SJS Group of Schools

The pursuit of education is synonymous with the pursuit of enlightenment. Education extends beyond mere accumulation of knowledge from textbooks, and schooling transcends the rote memorization of ABCs or completion of courses. The essence of education and schooling lies in the endeavor to transform a nascent and evolving mind into a mature and contributory entity for the universe.

Visionaries and social reformers such as Pt. Shiv Shankar Tripathi, Sir Duccan Calvin Beli, and Thakur Karan Bahadur Singh sacrificed their lives in the

noble cause of enlightening society, and this mission is destined to persist until the end of time.

Adhering to this noble objective, S.J.S. has been diligently working from its inception to instill a sense of discipline and self-respect in its students through the impartation of knowledge. The goal is to nurture individuals who blossom into exemplary citizens of this great motherland.

Many in society aspire to collaborate with us in carrying the torch of education forward. In true honor of their commitment, S.J.S. has embraced the formation of a collective entity known as the S.J.S. Group of Schools. I have been entrusted with the responsibility of serving as the Chairman, a duty for which I am deeply grateful.

My life would be deemed successful if, with the blessings of God, I can make a meaningful contribution in this endeavor, in collaboration with all stakeholders.

*"The woods are lovely dark and deep,
But I have promise to keep,
And miles to go before I sleep,
And miles to go before I sleep."*

With Love and Blessings,

R.B. Singh
Chairman

SJS Group of Schools

From the Desk of Principal

Dr. Beena Tiwari
Principal
SJS Public School, Raebareli

Welcome to S.J.S. Public School, Raebareli

"The aim of education is the knowledge, not of facts but of values."

Every child is born with an inborn talent often with multiple abilities. Each child is unique and learns a little differently from the other and has different interests. We need to appreciate the uniqueness of each child rather than imposing our unfilled dreams on them. A child is like a clean slate and we help in, writing on it. As teachers, we have to bring our children closer to good values. There is a great need to equip children with values of life to make them good human beings so that they aspire to become responsible and honest adults of a nation.

In my years of teaching, I have learnt that young children are full of imagination & courage. In their world, the sky is the limit.

Last but not the least, it is kids dream to dream and it is our duty to encourage and nurture their dreams.

*"What you want to do,
and what you can do,
is limited only by
what you can dream."*

With best wishes,

Dr. Beena Tiwari
Principal
SJS Public School, Raebareli

AIMS & OBJECTIVES

S.J.S. has a very clear objective to provide students with such a platform where they could not only enhance their educational skills but also improve self confidence, positive behaviour, mental and emotional well-being with good conduct, and sound character.

The school management aims to provide modern and competitive education to the students so that they could achieve their goals and compete with the challenges of life successfully. To achieve this goal, it has blessed other like-minded institutions/societies to use its logo, goodwill, and guidance for imparting a world class education without benefitting itself in any manner.

KNOW YOUR SCHOOL

THE INS AND OUTS OF SCHOOL

GURUKUL AMBIENCE

The school provides a lush green and serene environment. Students learn lessons of life in nature's lap. The school doesn't provide a Gurukul like ambience but it is a Gurukul in the true sense where punctuality, regularity, and discipline work as the beats of a heart.

THE ADMINISTRATIVE BLOCK

The school has a well-planned and spacious building that consists of vast offices for the entire Management including Principal, Academics with Video Conferencing facility, Reception, Conference Halls, Cafeteria and other amenities along with accounts and fee counters decorated with beautiful sculptures.

KIDZERIA

Kids are welcomed at kidzeria where they enjoy trampoline, bouncy, swings and other things. School helps children discover their own individual learning skills and achieve the desired learning outcome. They learn co-operation during play before marching by making a train to the Morning Assembly.

KIDS HALT

The train of little kids which starts from Kidzeria halts here. They assemble for Aerobics, Rhymes and for other songs in the green and serene environment. They conversate in English in small groups. After Prayers and National Anthem they proceed to their respective classes.

PRIMARY SECTION

Kids are welcomed for Pre-primary, Nursery, LKG, UKG and Class 1st at required age group according to NEP 2023 guidelines. Kids are encouraged to excel in learning good behaviour and respect for all members of Society.

SHADY EMERALD

A Green Play Zone has been developed for kids at Kids Halt. They can play and learn in lush green environment.

BALLROOM

The school has developed a Ballroom with a glitter of light and high quality Digital Home Theater System is the center of attraction where kids enjoy and flourish their Dance skills.

PLAY STATION

The school has a spacious Play Station for kids where they play with various Soft toys and hundreds of learning materials.

MORNING ASSEMBLY

Morning Assembly is a platform where students learn lesson of regularity, punctuality and discipline. Students come to the Assembly ground in a queue from their classes and participate in aerobics to improve their mental and physical strength. After prayer and National Anthem, The Manager, Principal, Motivators, and Renowned Educators deliver speech on moral values and learning.

BIRTHDAY CELEBRATION

Birthday Celebration of the students studying from Play Group to II is a special and the most pleasurable event of the school which is arranged quarterly throughout the session in the presence of parents of birthday kids.

EMPHASIS ON ENGLISH SPEAKING

English conversation session is organized after the assembly in the open ground where the students converse in small groups to improve their speaking skills. The language of school and medium of instruction is English.

COMPETITIVE ENVIRONMENT

The school provides a Competitive Environment to its students. A dedicated and focused team of teachers in a ratio of 1:20 prepares students for future Endeavours. This environment of the school has motivated the students to achieve an unimaginable place in their life.

AMUSIVE MIRRORS

Amusive Mirrors have been installed on every floor for amusement. Students get their concept cleared about the mirror's properties. Amusive Mirrors are the combination of convex/concave reflective surfaces that produce a distortion effect that looks funny as students move in front of these mirrors.

SKY LAB “HANDS ON SCIENCE LAB/A TINKERING LAB”

The school has established a well-designed, spacious and well-equipped Sky Lab. It has all sets of accurate digital measuring instruments, experimental gadgets, models, charts and other necessary apparatus where student can learn the principles of science easily. It has facility of more than 5000 practicals on various subjects. Bullet Train’s Model, Thunder storm, Optical illusion, All kind of working model of engine, Vacuum Chamber, Air Track with sensor, Solar 3D Map, Tornado, 3D Printer, Magnetic Math Model, Real Periodic table with real elements are the few attraction of Sky Lab.

COMPUTER LAB

School has two well-furnished Computer Labs having more than 100 computers equipped with the latest software. Students learn on computer to keep pace with the technical World.

LABORATORIES

The school has well-equipped traditional laboratories for Physics, Chemistry, Biology, and Computer Labs as required by CBSE. It is obligatory to use these laboratories to learn through experiments. Every year latest instruments, apparatus, specimens, charts, software, hardware etc. are purchased for these laboratories.

PHYSICS LAB

The Physics lab allows for a complete practical experience for Senior secondary students. Practicals on Kinematics, Optics, Electricity, Electronics and Mechanics etc. are performed by the students.

CHEMISTRY LAB

The school is equipped with a high-quality Chemistry Lab consisting of all precautionary measures. Students are enthused with the knowledge to dream for great scientists like Alfred Noble, Marie Curie, John Dalton, J.J. Thomson, etc. From titrations to deducing boiling points, our Chemistry lab is the perfect place for every experiment. We have a range of chemicals used for a variety of experiments and practical work.

BIOLOGY LAB

The Biology lab allows students to examine and investigate the wonders of life. With microscopes and specimens (both plant and animal), students can explore, experiment and discover the wonders of nature beyond the classroom.

COMPOSITE LAB

The school has established a composite Lab for the Secondary Students to explore and discover the knowledge of science and nature. They can explore experiment and discover the wonders of nature beyond the classroom and a variety of experiments and practical work.

LIBRARY

School Library is a knowledge hub for students. It has been established with a stack of more than 10,000 Quality Refreshers, Text Books along with Generals, Periodicals, Magazines and News Papers to provide an ambience that instills a love for reading to the students on various subjects and topics.

ACTARENA

The state of art Actarena is equipped with Advance Facilitator Board with Augmented and Virtual Reality Technology. Actarena acts as the venue of several activities where students come in small groups and enjoy Maths Magic, Science Mania, Social Science Phenomenon, English Matters, Hindi Hindustan, and other planned activities.

PICASSO HALL

The school has well-equipped and spacious activity room where children are trained in drawing, sketching, pencil shading, origami, craft work, card making, poster making, colour mixing, clay design etc.

EXAMINATION ROOM

The school believes that an examination of the student is not the examination of a student only but it is the process where teachers test their abilities. For which continuous seminars and research are arranged. Centrally Located Examination Center reminds the students of their future challenges and keeps them alert all the time. Students are encouraged with gifts and medals after examinations.

LECTURE ROOMS

The school has three spacious, well-furnished, luminous and fully air conditioned rooms where capability building programs, special guest lectures, alumni lectures and workshops are organized besides general lectures.

MUSIC ROOM

The school has a spacious Music Room equipped with various musical instruments. Students have access to a wide variety of musical instruments including Guitars, Pianos, Complete Drum set etc.

STAFF ROOM

Every floor has well equipped Staff Rooms with an atmosphere conducive for teachers to discuss their plans.

GREEN HOUSE

The Green House developed inside the school is a platform where shade-loving plants get a soothing atmosphere to grow naturally. It can help to balance the greenhouse effect on Earth where students are encouraged to understand the role of plants to reduce greenhouse effect.

SPORTS

Sports develops physical as well as mental strength of a student. School provides various sports activities for the students to enhance their confidence and mental alertness throughout the session

INDOOR GAMES

The school has developed a spacious, synthetic indoor Badminton and Table Tennis Court where students practice and sharpen their skills in games.

OUTDOOR GAMES

The school has an open Lawn Tennis, Basket Ball, Volley Ball cemented courts while the games like Kabbadi, Tug of War , Track and Field events, and field games like Football, Hockey, and Cricket are arranged in an open field. Outdoor games like Lawn Tennis, Basket Ball, Volley Ball, Kho-Kho, Kabaddi, Tug of War, etc. are arranged in an open ground.

AQUAREA

A Fish Tank with the natural beauty of Water Fall is a center of attraction for all the students, teachers, and visitors. Kids refresh themselves by singing the song “मछली जल की रानी है जीवन उसका पानी है ।”

PERSONALITY GROOMING PROGRAMME

School is running Personality Grooming Programme. This programme enables student to groom their personality by reading & writing activity, listening & writing activity and public speaking activity in English.

MRIDUNG SANGEET ACADEMY

School has established Sangeet academy to impart music among the students. School is providing three month certificate course in Western dance, Classical Dance , Vocal and Instrumental. All these courses are affiliated by Prayag Sangeet Samiti, Prayagraj.

YOGA

Yoga is a mind and body practice that can build strength and flexibility. It may also help manage pain and reduce stress. Various styles of yoga combine physical postures, breathing techniques, and meditation. School is providing Yoga Class for all the students. Many students are learning art of living.

OTHER SALIENT FEATURES

- The school has a well-equipped Infirmary with trained paramedic staff to provide FIRST-AID inside the school while the District Hospital and other reputed Nursing Homes are in close vicinity of school. Health Check-ups/Eye Check-ups are done by a qualified team of doctors at regular intervals.
- The school has three Rain Water Harvesting systems that utilize rainwater for various purpose. Through this system, students are encouraged to save water and acquaint themselves with the functioning of the Water Harvesting System.
- The school has Fire Hose Reels at every floor to provide controlled supply of water to combat a potential fire risk.
- The school has a compact, properly guarded Power Back up station consisting of two Gensets of 125KW and 62KW to ensure 24x7 uninterrupted power supply to school.
- The school has a spacious outside and inside parking area. The front side parking has been left by the school to facilitate the parents to drop off and fetch their kids .It is a unique feat only taken by this school in Raebareli and the inside parking area gives proper security to the vehicles and bicycles of the students and staff members.
- The school has a big RO water system that provides Safe, Pure and clean drinking water facility to kids.
